If it is not possible to resolve the matter informally, a formal complaints procedure shall be applied incorporating the following steps:

**FORMAL PROCEDURE**

1. A written report to the Board of Management should be made by the complainant or an authorised person to whom the complaint is being made and signed by the complainant.
2. The complaint will be investigated with minimum delay as confidentially as possible by two individuals named by the Board of Management, one of whom shall be the same sex as the complainant and the alleged perpetrator.
3. Both parties may be accompanied/represented at all interviews/meeting held, and these shall be recorded.
4. Where a complaint is found to be substantiated, the extent and the nature of the sexual harassment/bullying will determine the form of action to be taken. best dealt with within the school. However, no aspect of this Policy affects any employee's individual legal rights to take their complaint outside of the school.
