

PRINCIPAL'S MESSAGE

Dear Families,

Another school term comes to a close. As the 2023-2024 school year ends this week, we look back on a great year in St Corban's for our whole school community. It has been another busy and fulfilling year and this last term has been particularly entertaining with all of the sports competitions, class league matches, chess, Coding Club, sports days, school tours, First Holy Communion, Graduation and Corban's Got Talent Show.

Before we break-up for the summer, I want to pay tribute to the people who ensure that our school continues to be a great place in which to learn and to teach. First of all, I want to thank our Board of Management for their dedication & commitment to our school. The investment of their time and the benefit of their experience creates a culture of care and excellence in our school. On behalf of the boys in our school, I want to say a huge "Thank You" to our wonderful Parents' Association for their fantastic work during the year. Their support and incredible fundraising endeavours have provided the children with so many fun-filled experiences and treasured memories throughout this year. To our superb school staff, a sincere "míle buíochas" for all of your kindness, patience and incredible work, again this year. The atmosphere and environment in a school is determined by the people who work there and we are blessed to have such an excellent staff of committed people, who give so willingly within school and in extra-curricular activities. A special thank you to all of our parents for your support and cooperation during this school year and to all of the boys whose manners, courtesy and kindness are a credit to themselves, your families and our school.

This year brought some new school-wide initiatives. The DES Free Schoolbooks scheme has been a great success, which has taken a significant financial burden off parents. In late Spring, we introduced Hot School Meals for all of our children, as part of another government initiative. Both of these are very welcome initiatives for which parents are very appreciative and we hope that they will continue into the future.

PRINCIPAL'S MESSAGE

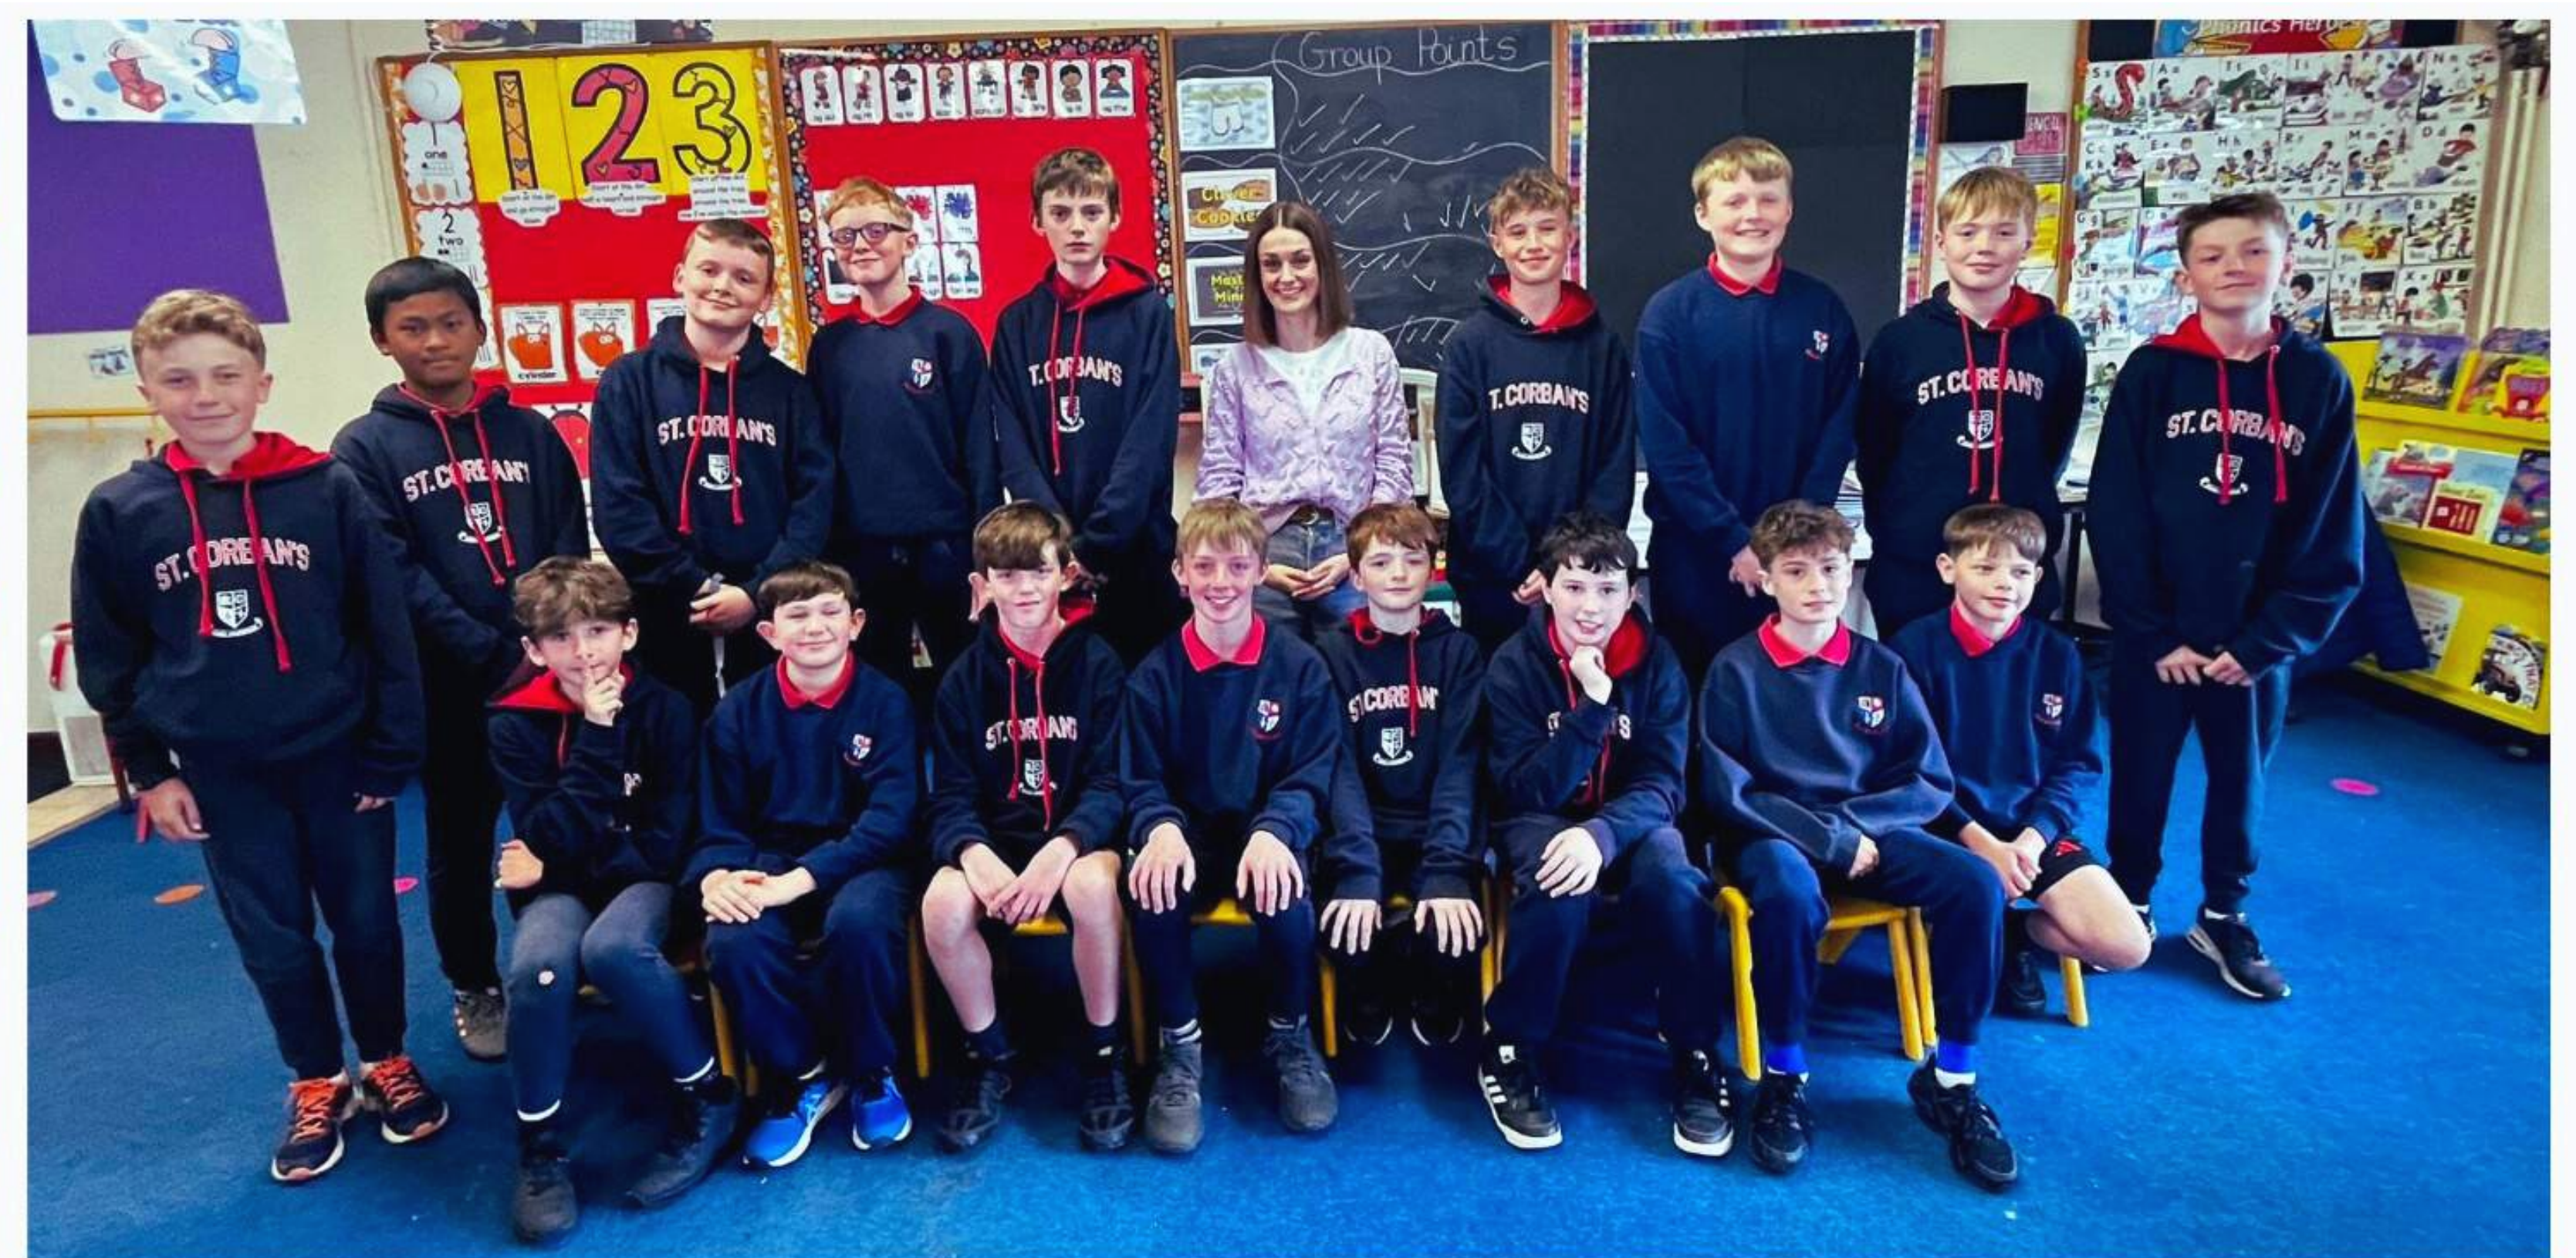

As the year ends, we say goodbye to our Sixth Class, a special group of boys who were our first Junior Infants back in 2016. They have been wonderful ambassadors for our school and they exemplify the values that we espouse in St Corban's. Our original "Corban's Babies" leave the school with our prayers and best wishes for the future.

A sincere thank you to all of our families for your continued support and generosity, which enriches our school community and helps to make St. Corban's such a wonderful community.

We hope you have a fantastic summer with your families and we look forward to welcoming the children back on Wednesday 28th August 2024. Enjoy the summer holidays.

Kind regards,
John Drewett
On behalf of the Board of Management
